Dear Clay Holdings LLC ,

Tidewater Utilities Inc. (Tidewater) would like to thank you for the receipt of your signed petition requesting Tidewater to provide water service to your property, 334-6.00-39.01 located in **Sussex County**.

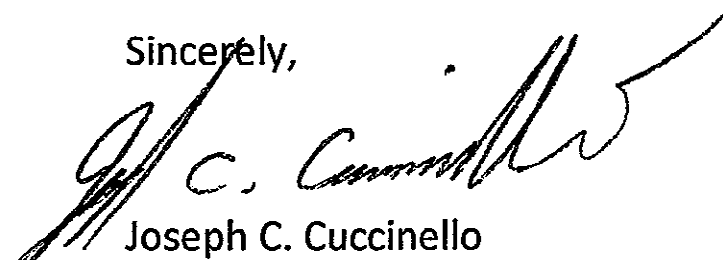

Tidewater will be submitting an application for a Certificate of Public Convenience and Necessity (CPCN) with the Public Service Commission (PSC) on or about **February 8, 2010**. Included with this letter is information that we are required to provide to all landowners within a proposed service territory prior to filing the application for a CPCN.

When the CPCN is granted, Tidewater will have the permission to provide public water service to your parcel. It is important for you, as the landowner, to know that when water service is made available to your parcel you are not obligated to connect to our water system as long as your current water supply is functioning properly. If you agree to have your property be part of this proposed service area, no action on your part is required at this time.

Tidewater understands that customer satisfaction and quality water are the foundation of our business. In 2007 Tidewater was awarded the Torch Award by the Delaware Better Business Bureau for our Marketplace Ethics. Tidewater a part of Middlesex Water Company was recently named one of America's 100 most trustworthy publicly traded firms according to Audit Integrity, Inc. In addition, Tidewater was voted Best Tasting Water in 2007 by Delaware Rural Water Association.

If you have any questions in regards to this matter please feel free to contact me at 1-800-523-7224 ext. 1014.

Sincerely,

Joseph C. Cuccinello  
CPCN Coordinator
